Hello,

Your tuition will be \$530.12 per credit hour and your fees will be \$94.69 per credit hour. There are other fees such as a one time transcript fee of \$15, possible orientation fee, housing fee if living on campus and health insurance fee if you do not waive the university health insurance. I cannot tell you what your fall bill will be because you have not registered and our tuition and fees are charged per credit hour enrolled. Your fall balance will be due August 28, 2021. You will register for Spring around October or November and then your Spring balance will be available in January and that bill will be due January 28, 2022.

If you are wanting to pay monthly for the Fall semester you will have to set up the automated payment plan through STARS but it will only accept US banks. If you are needing to pay with an international bank you must use wiu.flywire.com or paymytuition.com.

Any past due balance not paid by August 28, 2021 will be subject to a finance charge of 1% each month.
